

Truly I believe in divine appointment; I believe sends us the right people at the right time to move us to the right place in life.

The Lord compelled me to register for this year Discipleship module, because I was thinking I would do it next year. But when I entered the class that very day and saw John and yourself I knew in my heart God was setting me for a turn around.

Afterwards, I learned different people were praying for the class I was so encouraged!

In my heart I say you guys came because of me; your presence has met my deepest need.

I am presently not serving under a church, God called me to pioneer (plant a church) next year. Now I can see the quality of work God wants from my life and ministry.

The course on Discipleship was wonderful; also because godly men like John & yourself taught it.

I want to close with this scripture that you

Read to us in class:

"And the things you have heard
me say in the presence of many
witnesses entrust to reliable
men who will also be qualified
to teach others." AMEN!

Thank you so much Bill - I will entrust the things
you taught to reliable men who will also be qualified
to teach others!

I Love you!
