I have been working with Bill Lohnes in a ministry capacity for more than three years. In addition to his personal story of faith, Bill has a passion and gifting for making disciples.

Last year, Bill led a two-day discipleship seminar for the elders and deacons of our church. He did a remarkable job! His heart and commitment for discipleship touched and inspired everyone involved. His continual support and training of leaders is very helpful.

In addition to resourcing the church to more faithfully disciple, Bill has been an encouragement to me personally and professionally.

As a man that has lived a good deal of his life in the public sector and apart from God I have not seen a man, or been a part of a ministry that has such an obvious anointing of God.

I would highly recommend Bill and the Disciple Life program.

Please be sure to contact me at the number or email listed if you have any questions.
